

4th ANNUAL

GREEN AB FALL 2009

INTELLIGENT BUILDINGS CONFERENCE

Endorsed by:

LONMARK®
INTERNATIONAL

September 29 - 30, 2009
Santa Clara, CA

PROSPECTUS

Nationally recognized experts will provide detailed information about the technologies, benefits, and challenges of Intelligent building projects, and how they deliver on sustainability.

Spend 1 1/2 days with us, placing your company in an intimate environment with educational sessions by our experts AND multiple networking opportunities that isn't just another swipe of the attendee badge, but face-to-face real-time.

Get your company involved so that you can stay on top of the competition.

Who Will Be Attending:

- Building Owners
- Facility Engineers
- Developers
- Facility Managers
- Building Managers
- Mechanical Engineers
- Electrical Engineers
- Controls Contractors
- System Integrators
